

My dear friends in Christ,

At all times, but especially now we call upon the grace of God to protect us. As your pastor, I am trying to act with prudence and pastoral care at this difficult moment in the history of the church. I want to best protect the people of God, especially the most vulnerable, that have been entrusted to me as Pastor.

Bishop Baker and Archbishop Rodi has suspended the celebration public Mass and devotions such as the Stations of the Cross. The church will be open for private prayer during the day between the hours 9:00 AM and 4:00 PM. Please be mindful of the social distancing guidelines suggested by CDC.

We ask Our Lady to protect and guard us during this challenging time.

Fr. Gerald Holloway

Pastor
